

**How was  
your  
renewal?**

## **That's a question our clients never have to ask themselves!**

Smith Davis Insurance's process invokes 360 degree risk management accountability, 365 days a year. With many companies being caught in the "commodity trap" 90 days before their renewal date, insurance and risk management end up becoming a foregone conclusion once the exhausting renewal process is over.

Through a well thought-out, annualized strategy and daily execution, Smith Davis Insurance team is able to deliver best in class results. If your renewal process has been anything less than perfect, why not spend 30 minutes listening to how we can assure you will never have to go through this headache again? Reach out to your Risk Manager at Smith Davis Insurance today to receive a complimentary copy of our Renewal Satisfaction Scorecard.
